

# ROAD WORK NOTICE

Under the Mid West Secondary Grain Freight Network program, the Shires of Morawa and Perenjori have contracted Fulcher Contractors to undertake road works on the Morawa South Road, Hill Road, and Boundary Road.

**Works will commence Monday 29 July 2024**

**Road closures and traffic management will be in place throughout the project**

Due to the extent of road and culvert reconstruction, road widening through salt lakes, and the general scope of the project, there was a potential for traffic management delays to exceed the time delays from using detours, as well as extending the project time frame and significantly increasing costs. As such, road closures and traffic management are being utilised to provide the best value and quality outcome, noting the overall project will deliver a wider and safer road across the full 30km route for the benefit and safety of all road users.

The first stage is the closure of Boundary Rd from the Perenjori-Three Springs Rd to the north of Sutherland Rd. Access available to local traffic only.

The second stage is the closure of Boundary Rd from Sutherland Rd to Hill Rd. Access available to local traffic only.

The third stage is the closure of Morawa South Rd with access available only to local traffic until 31 October 2024. The road will then be open to allow controlled access along the road following traffic management directions.

Your cooperation and patience whilst this significant long-term road improvement project is being undertaken is appreciated.

The Shires of Morawa and Perenjori acknowledge the Department of Infrastructure, Transport, Regional Development and Communications in providing funding for this project.

**For more information and updates please contact the Shire of Morawa or Shire of Perenjori.**
