

Be Wise Sterilise

Thousands of unwanted, homeless cats and dogs end up at shelters and pounds in WA every year because owners don't sterilise their pets. You can help prevent that happening. Be wise. Sterilise.

RSPCA WA will pay up to 75%* of the cost to sterilise your dog or cat.

Reduce the number of unwanted and abandoned litters of kittens and puppies

Reduce the desire for dogs and cats to roam, which means fewer strays

Reduce the risk and incidence of some cancers in dogs and cats

Reduce unwanted behaviours such as spraying

Reduce unwanted behaviours like aggression

Registration fees for sterilised pets are cheaper in most local government areas

Sterilised pets are generally happier and healthier
