Based on the tender evaluation presented within this report and the revised figures as presented, and subject to Council's budget being amended is it recommended that Council:

- Authorise the Chief Executive Officer to enter into post-tender negotiations with the preferred tenderer, Catwest, to:
 - 1) resolve the tender clarifications; and
 - 2) negotiate a final price based on the premise of awarding Catwest both Separable Portions A and B.
- Providing all clarifications can be resolved, and a negotiated price below the original tender price of \$1,406,729.57 submitted from Catwest to complete both separable portions can be determined, delegate to the Chief Executive Officer the authority to award the tender to Catwest Pty Ltd with the associated resolution of the clarifications and discounted total price.

- Authorise the Chief Executive Officer to award a Contract to Catwest Pty Ltd on the aforementioned basis.

Approve an amendment to the 2023/24 adopted budget to increase funding by up to \$565,000 as detailed in the Chief Executives Officer's report for the proposed roadworks to be undertaken.
